Re: Agreement JPA 95-99
Refurbishment of ADOT Signs
Amendment No. 2

Dear Mr. Spearman:

The Arizona Department of Transportation has a requirement for the production of various signs. Therefore, the following paragraphs are added to paragraph II, Scope of Work:

1.d. Request quotes from ACI for the production of various signage. Reimburse the ACI for appropriate charges for the production of various signs, in accordance with prices quoted by ACI and accepted by DOT.

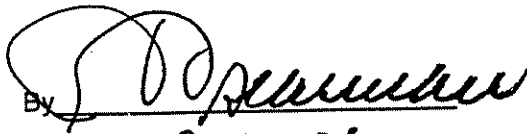

2.f. Provide signage price quotes in response to requests from DOT. Produce the signage once the quote has been approved by DOT. No more than monthly, invoice the DOT for signage produced, at the prices approved by DOT.

To properly memorialize this amendment, and to insure a meeting of the minds, please indicate your concurrence of this amendment in the space provided below and return one original of this instrument to the undersigned at the above address to the attention of Mail Drop 616E. Questions may be directed to the undersigned at (602) 255-7628 or Mr. Tom Huey at (602) 255-6225.

Sincerely,
